SUMMARY

Aspiring Software Developer and Recent Computer Science Graduate with hands-on experience in Java Full Stack Development. Strong foundation in engineering concepts and database-driven applications. Experienced in collaborating within teams across functional areas. Excellent written and verbal communication skills. Actively seeking a Developer role to apply and grow technical and professional skills.

EDUCATION

B.E. Computer Science and Engineering

Jayam College Of Engineering and Technology, Dharmapuri

Affiliated to Anna university, Chennai

Relevant coursework: Java Full Stack Development, Data Science Industrial program

May 2025

8.6 CGPA

TECHNICAL SKILLS

Languages and Frameworks: Core Java, Advanced Java, Python (Beginner), JDBC, HTML, CSS3, JavaScript

Databases: MySQL

Version Control: Git, GitHub

IDE Tools: VS Code, Eclipse

Engineering Concepts: Data Structures, Object-Oriented Programming (OOP), SDLC

Soft Skills: Teamwork, Communication, Problem-solving, Collaboration

Certifications: Java Full Stack Development, Web Development Internship

EXPERIENCE

TAP Academy, Bengaluru: Java FullStack Developer Intern

Feb 2025 – Jun 2025

- Gained hands-on experience in Core Java, MySQL, HTML, CSS, and Programming Fundamentals as part of a comprehensive full-stack development curriculum.
- Collaborated in a diverse team to develop web applications and solve coding challenges.
- Communicated project updates and task details clearly to peers and mentors.
- Tech Stack: **Core Java, Advanced Java, MySQL, HTML, CSS**

ACADEMIC PROJECTS

E-Commerce Website

Aug 2024 – Sept 2024

Designed and developed a user-friendly e-commerce website that enables seamless product browsing

- Implemented secure authentication, an intuitive shopping experience, and efficient backend operations to enhance usability and performance.
- Tech stack: **HTML, CSS & MySQL,**

Student Management Portal

Jan 2025 – Mar 2025

Built a Student Management Portal with full CRUD features and secure authentication using Java and MySQL.

- Built a Student Management Portal with full CRUD features and secure authentication using Java and MySQL.
- Practiced modular coding, database design and authentication handling.
- Tech Stack: **Java, JDBC & MySQL**

AWARDS

Foundation For Excellence

Mar 2022 – Present

Awarded the Scholarship for Excellence in studies

ACTIVITIES

Foundation For Excellence(NGO)

Aug 2022 – Sep 2022

Volunteered the FFE event, organizing the event by inviting the members and managed to make them all the viable facilities.
